Community - Integrity - Pride

Sheriff Gary Hofmann

VISION

Our vision is to maintain a safer Queen Anne's County where citizens and Law Enforcement are joined together, the rights of all persons are respected, and community values are reflected.

MISSION

The Queen Anne's County Office of the Sheriff is committed to protecting life, property and individual rights while maintaining peace and order. "Prompt, Professional and Courteous police services with a *no tolerance to crime approach*".

GOALS

GOAL 1: Increase the number of patrol sectors in order to assign additional patrol coverage to the northern end of the county with the goal of reducing law enforcement response times and increasing law enforcement presence in the community.

GOAL 2: Increase its efforts in reducing Heroin use and distribution in Queen Anne's County and its negative effects on crime and quality of life in the county.

GOAL 3: Seek to promote and enhance professional development of its staff through various training opportunities and programs.

A WORD FROM THE SHERIFF:

Community Members and Business Leaders

This newsletter is being provided to keep you informed on what your Sheriff's Office is doing in the community and with local businesses. There are many ways to be informed: Our Facebook Page, Twitter and our Web Page.

Time goes by quickly and we are now into the fall season. I hope you enjoyed the summer with family and friends. We hope you can join us for our agency's open house coming up soon!

Please remember that children are boarding buses and walking home from schools. The number one complaint we receive is speeding vehicles in communities. Please remember to be aware and alert of local speed limits. We will be implementing local speed awareness programs in communities that will include education, awareness and enforcement.

Please visit our web page and social media sites where you may find some helpful information such as wanted persons, press releases and emergency alerts that we use to provide our great community with as much information as possible.

As a community or business member you may want to visit our website and sign up for our news blast alerts that will provide you with critical information in and around your neighborhood.

If you have any needs, issues, or concerns please feel free to contact me at any time. My contact information is enclosed in this newsletter.

I hope you and your family have a safe and enjoyable fall season.

Field Operations Division Update

The Office of the Sheriff for Queen Anne's County is currently authorized with a staff of approximately 64 sworn positions. The Office is comprised of various specialized units within the area of enforcement to effectively handle and address specific issues within the community. Of those divisions, the Field Operations Division/Uniformed Patrol Division is considered by many as the "backbone" of the agency. The patrol division interacts with the community 24 hours a day, 7 days a week, and 365 days a year. The members of this division are usually the first point of contact a citizen has with Law Enforcement. They are the eyes and ears of this agency.

The Patrol Division is divided into four patrol squads; each assigned a Sergeant, a Corporal, and six deputies. Each squad works 12 hour shift; which rotate between day work and night shift. The Field Operations Division is commanded by Acting Lt. Earl "Duke" Johnston. The Lieutenant is responsible for day to day operations of the division, under the direction of the Sheriff. In the absence of the Lieutenant the Field Operations Division is commanded by First Sgt. John Meyers.

Sergeants assigned to a patrol squad are the primary supervisors of each individual squad. They daily direct, lead, mentor, and motivate each employee under their charge. Squad #1 Sergeant is Chris Green, Squad #2 Sergeant is Troy Lowery, Squad #3 Sergeant is Jeremy Davidson, and Squad #4 Sergeant is Bruce Layton.

Each patrol squad has a second in command known as a Corporal. They are the field supervisors (on the street) who oversee day to day calls for service, operations, and performance of their subordinates under their charge. Corporals are also in command in the absence of a higher ranking authority (when their Sergeant is off from duty).

In addition to their administrative duties, both Corporals and Sergeants interact with the public daily to ensure the mission and the goals of the Office are being accomplished and that the expectations of the community are being met.

The rank and file members of a patrol squad are known as Deputy and Deputy First Class. They have many responsibilities and duties to include but not limited to; daily proactive community

patrols and policing, both traffic and criminal enforcement, criminal investigations, crime prevention, and responding to calls for service from the public.

From January 1, 2017 until August 31, 2017, the Field Operations division responded to and/or handled 19,600 complaints and/or calls for service, generated 1375 initial offense reports, and performed 683 criminal arrests.

The efforts of the Field Operations Division aided in a significant reduction in various crimes throughout the county. In addition to the Field Operations Divisions daily responsibilities, this unit performs what is known as "Directed Patrols". These patrols are usually initiated by citizen's complaints/concerns to aggressively mitigate a community issue. These issues include but are not limited to speeding complaints and increasing patrols within neighborhoods for various community concerns.

Sheriff's Resource Unit

The Sheriff's Resource Unit is tasked with providing security at 12 of the county's 14 schools. The unit is comprised of a Sergeant (Sean Hampton), Corporal (John Brockman), and four School Resource Deputies (Dfc. Jennifer Aaron, Dfc. George Sewell, Dfc. Christopher Neall, & Dep. Terry Copper). Two of the of the four School Resource Deputies are assigned to high schools while the other two are assigned to elementary and middle schools. In addition to protecting the county's schools on a daily basis, the unit is responsible for the agency's marine unit, auxiliary unit, the deployment of various specialty vehicles to include

the MRAP, GATOR, the 3 agency speed trailers, as well as handling special events throughout the county.

The vast majority of the special events in the county are held on the weekends which causes the members of the unit to often work long hours to provide coverage at the schools during the week and events on the weekends. During this calendar year the Resource Unit has assisted with approximately 89 special events within the county.

One of the additional responsibilities that the Resource Unit Supervisors have is to teach faculty, staff, and students at all local schools how to properly mitigate an active

shooter situation. Currently, there have been approximately 18 presentations performed at the local schools regarding this topic this year.

In addition, the Resource Unit Supervisors Command an auxiliary deputy unit which has approximately eight deputies assigned. These volunteers perform functions at local events to augment sworn personnel, perform traffic control and direction, and assist in natural disasters as well. They are an integral part of our agency and we are lucky to have them.

Division Overview

The Support Services Division is commanded by Lieutenant Mark Meil. The Second in command is First Sergeant Morris Jones, Jr. The division is comprised of several units and functions, including Criminal Investigations, Evidence and Property, the Drug Task Force, the Sheriff's Resource Unit, and the Auxiliary Unit. Each unit has unique law enforcement responsibilities and duties that differ from other divisions. Some of those duties include covert investigations, school safety and security, management of all property and evidence, law enforcement support, and criminal intelligence.

Staffing and Supervision

The Criminal Investigations Unit is typically staffed with four detectives, a supervisor, and a unit commander. First Sgt. Jones serves as the temporary Unit Commander with Cpl. Shane Russell second in command. Currently the unit is staffed with three detectives (Dfc. Jason Rickard, Dfc. Steven Mathews, & Dfc. Kevin Fleck). CIU Supervisors oversee the Evidence Section, as well as two detectives assigned to the Queen Anne's County Drug Task Force. The Evidence section is staffed with one Evidence Manager (Kerriann McCarthy) who has the overall responsibility for all property stored or in safekeeping, as well as agency Body Camera video evidence. The Sheriff's Resource Unit is staffed with two supervisors and four deputies.

CIU Summary of Activities January 1st to August 31st

The Criminal investigations Unit was assigned 128 cases to investigate from January through August of 2017. Investigators completed 42 original offense reports, along with 379 supplemental reports. 15 cases were cleared by arrest or charging document, 43 cases were cleared exceptionally, 40 cases were suspended, and 30 cases remained open.

Halloween Safety

- H** Hold a flashlight while trick-or-treating to help you see and others see you. Make sure you walk and not run from house to house.
- A** Always test make-up in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.
- L** Look both ways before crossing the street. Use established crosswalks.
- L** Lower your risk for serious eye injury by not wearing decorative contact lenses.
- O** Only walk on sidewalks. If not possible, walk along the far edge of the road facing traffic.
- W** Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- E** Eat only factory-wrapped treats. Avoid eating homemade treats made by strangers.
- E** Enter homes only if you're with a trusted adult. Only visit well-lit houses. Don't stop at dark houses. Never accept rides from strangers.
- N** Never walk near lit candles or luminaries. Be sure to wear flame resistant costumes.

CALEA UPDATE

Sheriff Gary Hofmann recently accepted the renewal of the Office of the Sheriff accreditation by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®).

The renewal award was accompanied by the Commission's praise for the agency's going "above and beyond" in showing compliance with the relevant standards that represent the "best professional practices" for law enforcement agencies everywhere. The Sheriff firmly believes that CALEA compliance strengthens the agency's accountability, both within the agency and the community, through a continuum of standards that clearly define authority, performance, and responsibilities.

The Queen Anne's County Office of the Sheriff has developed a comprehensive, well thought out, uniform set of written directives. This is one of the most successful methods for reaching administrative and operational goals, while also providing direction to personnel.

Sheriff Hofmann has established standards that provide the necessary reports and analyses he needs to make fact-based, informed management decisions. CALEA accreditation can limit the Office of the Sheriff potential liability and risk exposure because it demonstrates that internationally recognized standards for law enforcement have been met, as verified by a team of independent outside CALEA-trained assessors.

The Queen Anne's County Drug Task Force is a multi-agency task force aimed at combating mid and upper level drug dealers in Queen Anne's County, Maryland. The task force board is comprised of members of the Maryland State Police, Queen Anne's County Sheriff's Office, the Centreville Police Department, the Maryland Department of Natural Resources Police and the Office of the Queen Anne's County State's Attorney.

The Queen Anne's County Drug Task Force reports quarterly to the Task Force Advisory Board. The benefit of the Task Force concept is that it lessens the manpower and budgetary constraints on each participating agency.

The investigative case load carried by the task force grows every year and many of the crimes investigated have roots or ties in other counties and/or states. Investigators at the task force routinely work closely with the FBI, DEA, HSI, the ATF, neighboring drug task forces and state and federal prosecutors to bring these cases to a successful conclusion and to ensure that all persons involved with the drug/criminal networks are brought to justice, no matter where they live.

Investigators with the task force also routinely work hand in hand with the CID units at the Centreville Barrack and the Queen Anne's County Sheriff's Office to investigate thefts, robberies and crimes of violence that often have their roots in the use and sales of narcotics.

The Queen Anne's County Drug Task Force is a financially self-sufficient unit operating off of seized assets at no cost to the taxpayers of Queen Anne's County. Besides using seized, drug related funds to pay for day to day operational expenses, the task force routinely pays for training, equipment and other related costs occurred by member agencies.

If you suspect anyone of distributing or importing drugs in Queen Anne's County, you can report them by calling the Queen Anne's County Drug Task Force at 410-758- TIPS (8477) or by going on line at www.qadtfc.com.

Sheriff Hofmann thanked all employees of the Office of the Sheriff for their roles in proving compliance with the many standards. "It is only with the cooperation and buy-in of every sworn officer and civilian employee that we are able to achieve and maintain this high level professionalism," the Sheriff stated with appreciation.

K9 Corner

It is with great sadness that the Queen Anne's County Office of the Sheriff announce the loss of one of our K9 partners. K9 Blek, a black Melanosis/German Shepherd mix passed away on September 8, 2017. Blek was 4 years old and had a distinguished 3year career with the Queen Anne's County Office of the Sheriff. K9 Blek was playing ball when he suddenly collapsed from a seizure. K9 Blek was transported to a local vet by his handler Deputy First Class Ahearn where he was stabilized and transported by the Queen Anne's County Department of Emergency Services to an emergency veterinary facility in Annapolis for further assistance, where he ultimately passed away.

K9 Blek was a multipurpose dog trained in and used for drug patrol, contraband searches, criminal apprehension, and public educational appearances. During his career, K9 Blek preformed 235 drug scans, assisted in 148 arrests, seized \$15,405 in drug money and identified nine vehicles for seizure.

Deputies from the agency remember how much he enjoyed playing ball and his absolute love for chicken nuggets. He was a high energy dog who loved to work, loved his job, and loved people.

Our thoughts and prayers are with Dfc. Ahearn, his family and those closest to K9 Blek during this time.

The K9 unit has performed the following statistical performance for this quarter shown above

Our agency K9 Division is now part of the Field Operations Division. We have three K9 deputies, each currently assigned to a patrol squad. Dfc. Chris Ahearn and K9 Blek / K9 Bella are assigned to shift group 3; Dfc. Brad Martz and K9 Spike are assigned to shift group 2; and Dep. Piasecki and K9 Zora are assigned to shift group 4. Dfc. Ahearn's second K9, Bella, is a blood hound. She was acquired for tracking lost and/or missing persons. Additionally, we are proud to announce our newest member to the K9 team – Deputy Joe Patikowski will begin training towards the end of this month to be our 4th K9 handler. His partner will be a single purpose drug K9, whom we will introduce once training is complete.
