Index Code: 203

Effective Date: 03/01/08 (Revised 1/30/19)

I. Purpose

The Office of the Sheriff for Queen Anne's County expects a high level of professionalism from its employees. When employees exceed the minimum standards of the Office it is appropriate for them to be commended. The official commendation of such performance, and the arrangement of appropriate publicity, is provided by the Office of the Sheriff to give full public recognition to those who have brought honor to themselves, the Office, and Queen Anne's County.

The purpose of this directive is to establish the types of awards and commendations that will be awarded, those who are eligible for each award, and the mechanism for the selection of members who may have obtained such recognition.

II. Policy

It is the policy of the Office of the Sheriff to identify those members of the Office who have exceeded standard levels of performance in specific areas of their duties, and provide appropriate recognition in the form of awards and commendations. In addition, allied agency personnel may also be recognized through a Sheriff's Commendation.

III. Awards Committee

The awards committee will consist of five (5) members from the Office of the Sheriff. Four (4) committee members are appointed by the Undersheriff or his designee and identified to all personnel upon selection. This is completed once nominations are received from agency personnel. The selected positions will include four Deputies/DFC's.

One member of the board will be appointed Awards Committee Chairperson by a majority vote of other board members. This shall be accomplished at the first official meeting of a new board. Each board member will serve at the discretion of the Undersheriff or his

designee.

The additional member of the Awards Committee includes the Sheriff's Administrative Assistant, who will maintain a permanent position on the board. The Sheriff's Administrative Assistant will maintain minutes of each meeting, as well as order the appropriate plaques and print all certificates for the nominees. The Quartermaster is responsible for ordering appropriate uniform pins and medals for the nominees as requested by the Sheriff's Administrative Assistant or the Committee Chairperson.

The Awards Committee will meet periodically as directed by the Committee Chairperson to consider all recommendations throughout the year (At least three times per year). The Awards Committee is given access to all information regarding each nominee recommended, and may investigate the circumstances surrounding the recommendation in any manner it deems necessary to verify information. The Awards Committee forwards all recommendations and the results of their investigations to the Sheriff by way of the Undersheriff or his designee through interoffice correspondence.

IV. Nominating Procedures for Awards and Commendations

It is the responsibility of each Sergeant and all Division Commanders to nominate members of their respective units for appropriate awards. However, all members of the Office of the Sheriff, regardless of rank, are encouraged to recognize outstanding performance of sworn personnel, civilian personnel, allied agency personnel, and business/community leaders.

V. Awards Nomination Form Nominations must be submitted in writing to the Sheriff's Administrative Assistant or the Chairperson by utilizing the appropriate Nomination Form, which shall be maintained in electronic format. Once the form is completed and submitted, containing all appropriate information, the Sheriff's Administrative Assistant shall maintain the form in an accessible file. The nominations can be submitted throughout the calendar year in question; however, will not be considered after January 10th of the following year as the Awards Banquet will be held in February or March of each year (If no schedule conflicts arise). The awards Committee Chairperson will retain all submissions received for consideration for a minimum of three years.

VI. Award Nomination Selections

The Chairperson will convene the Awards Committee at least three times per year to consider nominations and to prepare for the awards banquet. Award nominations will be reviewed by the Awards Committee Board no later than January following the calendar year in question. The winning nominees will be determined by a majority vote from the board members for each selected award. Upon completion of the nominations for the calendar year, recommendations will be forwarded to the Undersheriff or his designee through written interoffice correspondence. The recommendations will be submitted along with a copy of the original recommendations and any supporting documentation.

If an Awards Committee Board Member is nominated by another deputy, the affected board member shall excuse himself/herself from the board meeting and the vote for that particular award nomination. The board member can return to the meeting once the vote has taken place. This is done to maintain a fair and impartial voting process. A board member is not permitted to vote themselves in for an award. A submission for a board member must be submitted by another board member or other member of the Office of the Sheriff not affected by the nomination. A majority vote shall prevail to award the nomination for a particular award.

VII. Written Notification of Award Nominees

Once nominees have been selected the Awards Committee nominations will be forwarded to the Undersheriff or his designee by

way of written interoffice correspondence, and include a complete list of each award recipient. The nominations will then be forwarded to the Sheriff. All nominations submitted will be accompanied by the original recommendation and any supporting documentation. Once a final selection of award nominees has been made, the Sheriff's Administrative Assistant shall immediately mail written notifications to all award recipients acknowledging their selection of an award and to request their attendance at the annual awards banquet. The written correspondence shall not reveal what type of an award will be given just that the selected deputy shall receive an award.

VIII. Maintenance of Records by the Administrative Assistant

Once the award nominee selections are final, the Sheriff's Administrative Assistant will maintain a permanent file of the nominations approved by the Awards Committee and the Sheriff. Additionally, copies shall be maintained in the nominees' personnel files. The PIO will assist the Sheriff's Administrative Assistant in developing and/or creating a power point presentation for the yearly awards banquet.

IX. Awards Banquet

All Awards and Commendations will be presented during an annual Awards Banquet Ceremony in February or March of the calendar year following the nominations.
