

Queen Anne's County OFFICE OF THE SHERIFF

Sheriff Gary Hofmann
Community • Integrity • Pride

A Word From—YOUR SHERIFF

These are uncertain and unprecedented times. As your Sheriff, we want to thank you for your support to our agency as we continue to support the citizens of Queen Anne's County with integrity and pride. We remind you that we are always available to answer any questions, meet with your community groups, or speak with you individually. Just give our office a call to set up a convenient appointment.

We continue to take the COVID-19 crisis very seriously and will remain cautious in our approach with our families, co-workers, and the community for as long as it takes to keep our citizens safe. We remind everyone to continue to exercise the CDC-recommended universal precautions and if you have any questions, contact the local COVID Hotline at 443-262-9900.

Our community's number one concern continues to be speeding complaints. As your Sheriff, I believe that taking a preventative approach to our most common complaint is one of the best ways we can serve the community. We provide aggressive enforcement in communities and this means that we are issuing citations. It is something that no one wants to receive, but we have to protect your families and pets. You control the outcome—JUST SLOW DOWN! It is not worth the life you will impact!

While speeding complaints in neighborhoods are the number one complaint and concern generated from our local community, we all believe that ensuring the safety of our children, our community members and our pets is a very

important part of law enforcement and neighborhood partnerships. In many neighborhoods, most neighbors will agree that not everybody exceeds the posted speed limit; however, it is important to remind our family household members, as well as visitors, that it is incumbent upon everyone to make a conscious effort to watch their speed when entering a neighborhood.

Most of the time when our office receives complaints about speeding it is usually due to one or two identifiable vehicles or persons. We have taken the approach to accept anonymous tips about these speeding individuals and a deputy will personally visit the household and remind them of the speed limits. In most cases, the families are very apologetic and do not even realize their actions and appreciate us reminding them instead of issuing citations. We are all leading busy lives with family, appointments and so much more. It is easy to forget!

COMMUNITY BLOOD DRIVE FOR BREAST CANCER AWARENESS MONTH

On October 1st, the Sheriff's Office held its annual blood drive in conjunction with Anne Arundel Medical Center in honor of recently deceased Maria Williams, R.N. Maria was the wife of our own retired Major James Williams. What a success! Over 40 donors came out to show their support. More than 150 lives will be affected and/or saved with the blood collected!

Happy 4th Birthday K9 KONAR

A special birthday wish to our very own K9 Konar! He has served with the Sheriff's Office for two years in narcotics detection and article searches. We know he enjoyed some extra treats on his special day!

"Coffee with a Cop" was celebrated on October 7th with the Sheriff and several deputies who were out and about in the county meeting and greeting community members and enjoying great conversation. We are grateful for the overwhelming support from the community by their expressions of generosity to our law enforcement and their appreciation of the professionalism of our deputies and staff.

Amanda Darling

EMPLOYEE SPOTLIGHT

Amanda moved to northern Queen Anne's County six years ago prior to marrying her husband, Will. She is the proud mother of two incredible little children. She is a 2013 graduate of Hood College in Frederick, Maryland. She has spent many years volunteer coaching for the Queen Anne's County Parks & Recreation Field Hockey program with the Centreville teams.

Amanda has six years of services with the Office of the Sheriff. During these six years, she has become well versed in the day-to-day functions of the Department. Her specific job duties include handling and processing all the Protective, Peace, and Extreme Risk Protective Orders for the entire county; entering all citations in to the records management system; the validation of records in the state and national systems; the processing and release of police and accident report requests; and, answering phones. Amanda is also responsible for registering all personnel for trainings, completing 'Most Wanted' entries on the Sheriff's Office website, and assisting with fingerprinting services offered to the community.

Amanda looks forward to many more years with the Office of the Sheriff and continuing to get to know the community in which she now works and resides.

Pete Lunn

EMPLOYEE SPOTLIGHT

Pete Lunn joined the Queen Anne's County Office of the Sheriff (QACOS) as the Evidence Manager in July of 2019. It is his job to manage over 4,000 pieces of evidence. Managing evidence means packaging and storing evidence securely, transporting evidence to and from the Maryland State Police Lab, and making the evidence available for court as needed. It also involves purging evidence no longer needed for court and returning evidence and property to the property owners whenever possible. We also store firearms as a result of Protective Orders and then return them when the orders expire, if allowed. As Evidence Manager, Pete processes all requests for the return of firearms held by the Sheriff's Office for court as evidence. Another important part of the job is to manage the Deputies' 'Body Worn Camera' (BWC) system. Videos from the BWC's are requested almost on a daily basis from the State's Attorney's Office (SAO) for case review and as evidence in court, if needed. The BWC videos are also furnished to the public as a result of Public Information Act (PIA) requests. Some videos require redactions due to privacy concerns and can take hours, if not days, to process. It is also the job of the Evidence Manager to complete monthly validations of stolen property with the FBI's NCIC Computer System. This involves contacting victims to make sure that their stolen property has never been returned which allows the QACOS to keep their property listed as "Stolen" in the NCIC Computer System. Pete also teaches evidence procedures and packaging to new deputies during their Field Training Program.

Pete is a retired Police Sergeant from Pennsylvania with over 31 years of Law Enforcement experience. He currently resides in Queen Anne's County with his wife of 34 years, Jeanne. They have three sons and two granddaughters.

Your Tips Make A Difference!

The Sheriff's Office would like to thank everyone who provided pictures and video footage from the Sunday, September 27th event, in which an individual was displaying reckless driving behavior on the Bay Bridge. Those tips helped the MDTA Police find and charge the suspect who is now facing a combined total of 27 criminal and traffic charges! That's the way to rally for your community and keep it safe!

ARRESTED

GREAT JOB, QUEEN ANNE'S COUNTY! Your eyes and hears helped us get this criminal behind bars! **CHARLES THOMAS FITZE** was arrested on 10/06/2020 and taken off our streets. He is currently being held at the Queen Anne's County Detention Center. Thank you to our community for your assistance!

VIRTUAL OPEN HOUSE

Please join us for our Virtual Open House on Saturday,

This virtual Facebook event will give you a first-hand look at all that happens inside the Sheriff's Office. You never know.....you may be in for some surprises!

FIRST RESPONDERS DAY

Wednesday, October 28th, is FIRST RESPONDERS' DAY

A resolution passed in the U.S. Senate that designated October 28 as "**Honoring the Nation's First Responders Day.**" First responders across the nation work tirelessly during times of crisis, often putting their own lives at risk to save others.

Join us in honoring and thanking all the First Responders in Queen Anne's County, not only on October 28, but every day of the year! We are not sure what we would do without them!

LIVING DRUG FREE

RED RIBBON WEEK

OCTOBER 23-31

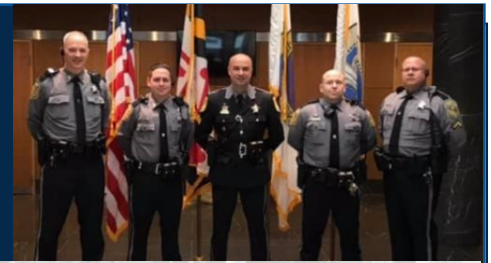

Celebrate **#DEARedRibbon** Week, October 23—31, "**Living Drug Free.**" Learn about the destructive effects of drug misuse. Watch for various events around the county where you can get education and turn in your unused and expired medications for safe disposal. Visit the DEA's resources at <https://www.getsmartaboutdrugs.gov/get-involved/virtual-ways-celebrate-red-ribbon>

Got Drugs?

Turn in your unused or expired medication for safe disposal

Unused or expired medications are a public safety issue which can lead to accidental poisonings, overdose, and abuse. Unused drugs thrown in the trash can find their way into the wrong hands. **#DrugTakeBack** is a way for you to safely and anonymously dispose of unused medications. In support of the Drug Awareness Program, the Sheriff and Deputies sponsored several #DrugTakeBack Days and were available to properly collect unused and expired medication at several community sites. In total, they collected more than 157 pounds of unwanted and unneeded prescriptions! Great job, Queen Anne's County!

BECOME ONE OF QUEEN ANNE'S COUNTY'S FINEST*We Are Hiring!*

Citizens of Queen Anne's County are firm believers in the mission and integrity of their Office of the Sheriff and have proven that with their applications to assist us as Auxiliary and Deputy Recruits. The Sheriff has consistently worked at providing a positive relationship with all members of our community. This has resulted in a mutual respect that is reflected in the many "thank you" messages and food items received at our headquarters.

Gary Hofmann, Sheriff

Queen Anne's County Office of the Sheriff is an Equal Opportunity Employer

An Accredited Law Enforcement Agency

505 Railroad Avenue • Centreville, MD 21617 • 410.758.0770

Statistics as of September 2020

For 2020, the Queen Anne's County Drug Task Force has posted the following statistics for the year through September 2020:

Stats for QA Drug Task Force

Cases Investigated	93
Search and Seizure Warrants Served	31
Controlled Dangerous Substance Arrests	14
Currency Seized	\$25,454.00
Suspected Heroin/Fentanyl Seized	57.00 Grams
Suspected Cocaine Seized	91.3 Grams
Firearms Seized	10
Illegal Prescription Pills Seized	620

While working within the constraints imposed by the nationwide COVID-19 pandemic since March of 2020, the Task Force has continued investigating drug crimes occurring within Queen Anne's County.

By focusing on the opioid crisis, the Task Force has seized suspected heroin/fentanyl and opioid-based prescription pills from several persons who are suspected of supplying the drugs in multiple overdoses that have occurred this year. Recently the task force, working closely with prosecutors at the Queen Anne's County States Attorney's Office, charged two persons with manslaughter and a host of lesser charges in the opioid-related overdose death of a local man.

The Queen Anne's County Drug Task Force is a multi-agency task force aimed at combating mid- and upper-level drug dealers in Queen Anne's County. The Task Force board is comprised of members of the Maryland State Police, Queen Anne's County Office of the Sheriff, the Centreville Police Department, the Maryland Department of Natural Resources Police and the Office of the Queen Anne's County State's Attorney.

The Queen Anne's County Drug Task Force reports quarterly to the Task Force Advisory Board. The benefit of the Task Force concept is that it lessens the manpower and budgetary constraints on each participating agency.

The investigative case load carried by the task force grows every year and many of the crimes investigated have roots or ties in other counties and/or states. Investigators at the task force routinely work closely with the Federal Bureau of Investigation (FBI), Drug Enforcement Agency (DEA), Homeland Security Investigations (HSI), the Alcohol, Tobacco and Firearms (ATF), neighboring drug task forces, and state and federal prosecutors to bring these cases to a successful conclusion and to ensure that all persons involved with the drug/criminal networks are brought to justice, no matter where they live.

The task force has investigated or assisted with the investigations into hundreds of opioid-related overdoses that have occurred in Queen Anne's County in previous years. The task force, working closely with the Queen Anne's County State's Attorney's Office, the Criminal Investigation Division (CID) unit at the Queen Anne's County Sheriff's Office, and the Maryland State Police have been very successful in charging those responsible for delivering opioids that caused multiple fatal and non-fatal overdoses. Queen Anne's County now has one of the highest success rates for achieving convictions in these cases.

Investigators with the Task Force also routinely work hand in hand with the CID units at the Queen Anne's County Office of the Sheriff and the Maryland State Police to investigate thefts, robberies and crimes of violence that often have their roots in the use and sales of narcotics.

The Queen Anne's County Drug Task Force is a financially self-sufficient unit, operating off of seized assets at **no cost to the taxpayers of Queen Anne's County**. Besides using seized, drug-related funds to pay for day-to-day operational expenses, these seized funds are used to pay for training, equipment and other related costs occurred by member agencies.

If you suspect anyone of distributing or importing drugs in Queen Anne's County, you can report them by calling the Queen Anne's County Drug Task Force at 410-758-TIPS (8477).

Court and Civil Processes

Opening on June 17th, 2019, the Circuit Courthouse for Queen Anne's County has officially been in operation for over a year now. The courthouse has been dealing with the effects of the extended state of emergency due to the COVID 19 virus. What started as a "Phase I" restriction at the Court with limited services and access, has steadily progressed to the current "Phase IV." Soon, jury trials will begin again. At this time, we are limited to 50 total people inside the courthouse, with no more than 10 people in each courtroom. Public access is still lim-

ited to only those who have business at the Court. While in the Court, we are still observing social distancing and wearing of face coverings, among other safety protocols, in a continued defense against COVID 19. Electronic hearings for cases will continue to be scheduled so litigants, attorneys, and witnesses can appear remotely. For the most recent information regarding the Queen Anne's County Circuit Courthouse, go to <https://www.courts.state.md.us/circuit/queenannes>.

Commission on Accreditation for Law Enforcement—CALEA

Sheriff Gary Hofmann is proud to announce that the **Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®)** has successfully completed the fourth annual review of the Law Enforcement accreditation program.

The Office of the Sheriff showed compliance with all the relevant standards that represent the "best professional practices" for law enforcement agencies nationwide.

The Sheriff firmly believes that CALEA compliance strengthens the agency's accountability, both within the agency and the community, through a continuum of standards that clearly define authority, performance, and responsibilities.

Queen Anne's County Office of the Sheriff has developed a comprehensive, well thought out, uniform set of written directives. This is one of the most successful methods for reaching administrative and operational goals while also providing direction to personnel.

Sheriff Hofmann has established standards that provide the necessary reports and analyses he needs to make fact-based, informed management decisions.

CALEA accreditation can limit the Office of the Sheriff's potential liability and risk exposure because it demonstrates that internationally

recognized standards for law enforcement have been met, as verified by a team of independent, outside CALEA-trained assessors.

Sheriff Hofmann thanks all employees of the Office of the Sheriff for their roles in proving compliance with the many standards. "It is only with the cooperation and buy-in of every sworn officer and civilian employee that we are able to achieve and maintain this high level professionalism," the Sheriff stated with appreciation.

The

Patrol Unit

Fall is upon us! The Patrol Unit, the largest unit within the Office of the Sheriff, has been busy keeping up with the forever changing laws. There are a lot of misconceptions out there that make people believe that marijuana has been legalized in Maryland. This could not be further from the truth. Marijuana has only been decriminalized and only if it is in an amount less than 10 grams. What does this mean? It means that if you have more than 10 grams in your possession, it is still a criminal offense just like before. If you possess less than 10 grams, your stash is still going to be seized and destroyed and you will still receive a penalty. Instead of criminal charges though, you will be issued a civil citation and will receive a fine to pay. Not to mention that if you are smoking marijuana while operating a motor vehicle, you could be arrested and charged with numerous other crimes such as "Driving While Impaired by Drugs." These types of charges are going to more than likely cause you to lose your driving privileges along with having to pay some expensive attorney fees. So far this year there have been 135 persons charged with "Possession of Marijuana." There were also eight defendants charged with "Possession of Marijuana"

Corporals, four Sergeants, one First Sergeant, and one Lieutenant.

So far this year, deputies have taken 1,935 initial reports and 1,126 supplemental reports. Deputies have made 698 arrests to include persons taken into custody on warrants and for criminal summons services charging with a criminal offense.

Deputies have also conducted 1,353 radar assignments. Radar assignments are generally conducted when we receive complaints about speeding vehicles in a community. One of our most common complaints are speeding vehicles in the communities. Keep in mind that most communities have posted speed limits of 25 miles per hour. These are the areas where there is a lot of pedestrian traffic so please be mindful of your speeds.

MARYLAND'S MARIJUANA LAWS

with an "Intent to Distribute," along with 41 defendants charged with "Possession of a Controlled Dangerous Substance, Not Marijuana."

We also reinstated the '**Deputy of the Quarter**' award. During the second quarter, this award was presented

to Deputy First Class Roger Brown. DFC Brown recently promoted to the rank of Deputy First Class from the rank of Deputy due to his tenure here with the Office of the Sheriff. Currently, we have 34 sworn personnel assigned to the patrol unit to include 24 Deputies/Deputies First Class, four

SLOW DOWN

SWAT

The Queen Anne's County Office of the Sheriff's Special Weapons and Tactics (SWAT) Team recently received hostage rescue training held by the National Tactical Officer's Association. This training helps keep the Team up to date on the current trends in helping handle a hostage rescue situation. The SWAT Team is a part-time team made up of members of the Office who have received specialized training in various weapons and tactics.

K-9 UNIT

The Queen Anne's County Office of the Sheriff K9 Program pleased to announce the addition to the canine unit—K9 Tiger. K9 Tiger was procured through *Tydewater Strategic Services* and is handled by DFC Joe Patakowski. K9 Tiger is a 1 1/2 year old black lab and is certified in narcotic detection. K9 Tiger joins K9 Boss and K9 Konar to assist patrol deputies in several law enforcement functions.

SCHOOL RESOURCE UNIT

The Queen Anne's County Office of the Sheriff's School Resource Unit is adjusting to the beginning of the school year and the challenges this year brings. With the return of the school year and mostly online learning, the Resource Unit is still patrolling the schools with limited student attendance. During the COVID-19 pandemic, the School Resource Unit has been assisting other divisions within the agency including the Criminal Investigations Unit and the Patrol Division.

AUXILIARY UNIT

The Office of the Sheriff for Queen Anne's County has an Auxiliary Deputy program to assist deputies and the Office with certain tasks and events. These positions are filled by civilian volunteers and are a great help to the Office. Due to COVID-19 the Office has not had many events this year to participate in. However, we are actively seeking new volunteers who wish to sign up! For more information please contact Corporal R. Davidson at rdavidson@gac.org.

VOLUNTEER BIKE PATROL

Did you know? The Office of the Sheriff has a Volunteer Bike Patrol! Check us out at <https://youtu.be/HyibR9oF6wE>.

Starting earlier this year, the Sheriff's Office began this program to have volunteers ride through our county parks and trails as an added layer of eyes and ears for our agency. You may know two of our amazing Bike Trail Program volunteers—Fred McNeil from Centreville and Bill Moore from Stevensville. Look for Fred and Bill to continue their journey, passing out water bottles, offering basic first aid, giving directions to restaurants, and answering question such as, "how far is it to the beach?"

In the few short months that Fred and Bill have been biking along the Cross Island Trail and paths along the Narrows or Terrapin, they have already helped a young boy find his fishing rod, rescue a sailboat caught in a bad current, and assisted a woman with a sprained ankle.

While you enjoy the parks and trails throughout our beautiful county, look for Fred and Bill on the Trail Program bicycles and say hello! Need water? Flag them down and ask! Want to know the closest place to grab a snack? They will know! See an area of concern that you feel needs addressing? Fred and Bill know who to call and will contact us to take care of it.

This program encourages a crime-free environment for all park and trail users. Do you want to have a distinct opportunity to serve in your community and be a part of the Sheriff's Bike Train Program? Contact us at Sheriff-Info@gac.org.

QUEEN ANNE'S COUNTY OFFICE OF THE SHERIFF HALLOWEEN SAFETY TIPS

- Safety first! Thoroughly inspect all candy before allowing children to eat it. Enjoy your candy after inspecting for discoloration, tears in wrappers, an unusual appearance or tiny pinholes. Throw it out if anything looks unsure to you.
- We would like to remind our residents that all pedestrians trick-or-treating should cross the street at corners, use traffic signals, and utilize crosswalks when available.
- Children under the age of eight (8) should not be alone at night without supervision. If kids are mature enough to be without supervision, they should stick to familiar areas that are well lit and stay together in trick-or-treat groups.
- Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. And remember, ALWAYS bring a flashlight!

Queen Anne's County OFFICE OF THE SHERIFF VISION

Our vision is to maintain a safer Queen Anne's County where citizens and Law Enforcement are joined together, the rights of all persons are respected, and community values are reflected.

MISSION

The Queen Anne's County Office of the Sheriff is committed to protecting life, property and individual rights while maintaining peace and order. "Prompt, Professional and Courteous police services with a **no tolerance to crime approach**".

GOALS

GOAL 1: Increase the number of patrol sectors in order to assign additional patrol coverage to the northern end of the county with the goal of reducing law enforcement response times and increasing law enforcement presence in the community.

GOAL 2: Increase its efforts in reducing illegal drug use and distribution in Queen Anne's County and its negative effects on crime and quality of life in the county.

GOAL 3: Seek to promote and enhance professional development of its staff through various training opportunities and programs.
